Forward-looking information

This presentation contains forward-looking statements within the meaning of applicable securities laws. Statements are based on the opinions and estimates of management at the date they are made and are subject to risks and uncertainties. There can be no assurance such statements will prove accurate. Nothing herein is an offer to sell or a solicitation of an offer to buy any securities.

The opportunity

The gap between wellbeing support people are offered
and support they actually use.

What Everkind is

An AI-powered wellbeing platform: journaling, voice reflection,
personalised meditation. Not therapy. Not clinical care.
Complementary to existing benefits.

The product

Journal - write an entry, get a reflection back.

Voice - speak instead, on the days writing is too much.

Meditation - generated from your own entry.

Privacy architecture

Insights Without Identities.

Private to the individual; aggregate and anonymised to an organization, above a stated minimum cohort size ({{MIN_COHORT}}).

How people use it

Daily check-in - written or spoken reflection -
meditation generated from the entry.

Two markets

Direct-to-consumer app.

Organizations buying a wellbeing layer for their workforce.

Traction

{{Platform figures - verbatim from filed releases only.}}

No projections. Platform figures as at {{DATE}}.

Numbers vary by organization.

Partnerships

Brampton Fire and Emergency Services (May 21, 2026)

Connected Care (March 11, 2026)
